“Vibrant colors and smooth, gradual tones with seamless transitions.”

“Print unlimited colors with faithful color consistency.”

“The ideal way to print details and small complex areas with precision.”

STIMULATE YOUR SENSES

This is a **bold, vibrant, and glossy** imprint with a **raised effect** that you can really feel.

BOLD BRANDING

4CP is a direct transfer of UV ink to the product via a printing head. It is used to produce detailed artwork in full color, allowing for the total representation of a brand.
